

Get your future going!

"I'm going to work hard!"

"I'm going to finish my degree and teach what I love."

"I'm going to be the first in my family to graduate from college."

college.gov

I'm going.®

Wonder what you're going to do after high school? College.gov can help you figure it out. It has everything from career ideas to ways to make college affordable. Plus, learn how students just like you went from "Where do I begin?" to degree programs.

why go

Learn the difference a degree can make. It can open doors of opportunity—financially and personally.

what to do

Plan and organize your path to college or other postsecondary education in a few easy steps.

how to pay

Check out what kind of financial help is available, how to get it and even apply for federal student aid online.
