RE: Final Program Review Determination
OPE ID: 02242700
PRCN: 201030927227

Dear Dr. Budd:

The U.S. Department of Education's (Department's) San Francisco/Seattle School Participation Division issued a program review report on January 12, 2011 covering Berkeley City College's (BCC's) administration of programs authorized by Title IV of the Higher Education Act of 1965, as amended, 20 U.S.C. §§ 1070 *et seq.* (Title IV, HEA programs), for the 2008-2009 and 2009-2010 award years. BCC's final response to the program review was received on April 29, 2011. A copy of the program review report (and related attachments) and BCC's response are attached. Any supporting documentation submitted with the response is being retained by the Department and is available for inspection by BCC upon request. Additionally, this Final Program Review Determination (FPRD), related attachments, and any supporting documentation may be subject to release under the Freedom of Information Act (FOIA) and can be provided to other oversight entities after this FPRD is issued.

Purpose:

Final determinations have been made concerning all of the outstanding findings of the program review report. The purpose of this letter is to: (1) identify liabilities resulting from the findings of this program review report, (2) provide instructions for payment of liabilities to the Department, (3) notify the institution of its right to appeal and (4) notify BCC of a possible adverse action. Due to the serious nature of one or more of the enclosed findings, this FPRD is being referred to the Department's Administrative Actions and Appeals Service Group (AAASG) for its consideration of possible adverse action. Such action may include a fine, or the limitation, suspension or termination of the eligibility of the institution. Such action may also include the revocation of the institution's program participation agreement (if provisional), or, if the institution has an application pending for renewal of its certification, denial of that application. If AAASG initiates any action, a separate notification will be provided which will include information on institutional appeal rights and procedures to file an appeal.

The total liabilities due from the institution from this program review are \$14,763.75.

This FPRD contains detailed information about the liability determination for all findings.

Appeal Procedures:

This constitutes the Department's FPRD with respect to the liabilities identified from the January 12, 2011 program review report. If BCC wishes to appeal to the Secretary for a review of monetary liabilities established by the FPRD, the institution must file a written request for an administrative hearing. Please note that institutions may appeal financial liabilities only. This FPRD contains one or more findings regarding BCC's failure to comply with the requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the Clery Act) in Section 485(f) of the HEA, 20 U.S.C. § 1092(f), and the Department's regulations in 34 C.F.R. §§ 668.41 and 668.46. Since a Clery Act finding does not result in a financial liability, such a finding may not be appealed.

If BCC wishes to appeal to the Secretary for a review of the financial liabilities established by the FPRD, the institution must file a written request for an administrative hearing. The Department must receive the request no later than 45 days from the date BCC receives this FPRD. An original and four copies of the information BCC submits must be attached to the request. The request for an appeal must be sent to:

Ms. Mary E. Gust, Director
Administrative Actions and Appeals Service Group
U.S. Department of Education
Federal Student Aid/PC
830 First Street, NE - UCP3, Room 84F2
Washington, DC 20002-8019

BCC's appeal request must:

- (1) indicate the findings, issues and facts being disputed;
- (2) state the institution's position, together with pertinent facts and reasons supporting its position;
- (3) include all documentation it believes the Department should consider in support of the appeal. An institution may provide detailed liability information from a complete file review to appeal a projected liability amount. Any documents relative to the appeal that include PII data must be redacted except the student's name and last four digits of his / her social security number (please see the attached document, "Protection of Personally Identifiable Information," for instructions on how to mail "hard copy" records containing PII); and
- (4) include a copy of the FPRD. The program review control number (PRCN) must also accompany the request for review.

If the appeal request is complete and timely, the Department will schedule an administrative hearing in accordance with § 487(b)(2) of the HEA, 20 U.S.C. § 1094(b)(2). The procedures

followed with respect to BCC's appeal will be those provided in 34 C.F.R. Part 668, Subpart H. **Interest on the appealed liabilities shall continue to accrue at the applicable value of funds rate, as established by the United States Department of Treasury, or if the liabilities are for refunds, at the interest rate set forth in the loan promissory note(s).**

Record Retention:

Program records relating to the period covered by the program review must be retained until the later of: resolution of the loans, claims or expenditures questioned in the program review; or the end of the retention period otherwise applicable to the record under 34 C.F.R. §§ 668.24(e)(1), (e)(2), and (e)(3).

The Department expresses its appreciation for the courtesy and cooperation extended during the review. If the institution has any questions regarding this letter, please contact Nancy Taylor at (415) 486-5508. Questions relating to any appeal of the FPRD should be directed to the address noted in the Appeal Procedures section of this letter.

Sincerely,

(b)(6); (b)(7)(C); (b)(7)(C)

Enclosures:
Protection of Personally Identifiable Information
Final Program Review Determination

PROTECTION OF PERSONALLY IDENTIFIABLE INFORMATION

Personally Identifiable Information (PII) being submitted to the Department must be protected. PII is any information about an individual which can be used to distinguish or trace an individual's identity (some examples are name, social security number, date and place of birth).

PII being submitted electronically or on media (e.g., CD-ROM, floppy disk, DVD) must be encrypted. The data must be submitted in a .zip file encrypted with Advanced Encryption Standard (AES) encryption (256-bit is preferred). The Department uses WinZip. However, files created with other encryption software are also acceptable, provided that they are compatible with WinZip (Version 9.0) and are encrypted with AES encryption. Zipped files using WinZip must be saved as Legacy compression (Zip 2.0 compatible).

The Department must receive an access password to view the encrypted information. The password must be e-mailed separately from the encrypted data. The password must be 12 characters in length and use three of the following: upper case letter, lower case letter, number, special character. A manifest must be included with the e-mail that lists the types of files being sent (a copy of the manifest must be retained by the sender).

Hard copy files and media containing PII must be:

- sent via a shipping method that can be tracked with signature required upon delivery
- double packaged in packaging that is approved by the shipping agent (FedEx, DHL, UPS, USPS)
- labeled with both the "To" and "From" addresses on both the inner and outer packages
- identified by a manifest included in the inner package that lists the types of files in the shipment (a copy of the manifest must be retained by the sender).

PII data cannot be sent via fax.
