Dear Mr. Stewart:

The U.S. Department of Education's (Department) School Participation Team – Kansas City issued a program review report on August 7, 2013, covering Bryan University's (BU) administration of programs authorized pursuant to Title IV of the Higher Education Act of 1965, as amended, 20 U.S.C. §§ 1070 *et seq.* (Title IV, HEA programs), for the 2012-13 and 2013-14 award years. The institution's final response was received on October 17, 2013.

The School Participation Team – Kansas City has reviewed BU's response to the Program Review report. A copy of the program review report (and related attachments) and BU's response are attached. Any supporting documentation submitted with the response is being retained by the Department and is available for inspection by BU upon request. Additionally, this Final Program Review Determination (FPRD), related attachments, and any supporting documentation may be subject to release under the Freedom of Information Act (FOIA) and can be provided to other oversight entities after this FPRD is issued.

BU's response has resolved all findings. In addition BU has provided assurances that the appropriate corrective actions have been taken to resolve and prevent future occurrences of all findings. Therefore, BU may consider the program review closed with no further action required.

Program records relating to the period covered by this program review must be retained until the later of: the resolution of the loan(s), claim(s) or expenditure(s) questioned in the program
