Dear Dr. Kendrick:

The U.S. Department of Education's (Department's) School Participation Division – New York/Boston issued a program review report on May 9, 2013 covering Gateway Community College's (GCC's) administration of programs authorized pursuant to Title IV of the Higher Education Act of 1965, as amended, 20 U.S.C. §§ 1070 *et seq.* (Title IV, HEA programs), for the 2011-2012 and 2012-2013 award years. The institution's final response was received on May 22, 2013.

The School Participation Division – New York/Boston has reviewed GCC's responses to the Program Review Report. A copy of the program review report (and related attachments) and GCC's response are attached. Any supporting documentation submitted with the response is being retained by the Department and is available for inspection by GCC upon request. Additionally, this Final Program Review Determination (FPRD), related attachments, and any supporting documentation may be subject to release under the Freedom of Information Act (FOIA) and can be provided to other oversight entities after this FPRD is issued.

GCC's responses have resolved all findings. In addition GCC has provided assurances that the appropriate corrective actions have been taken to resolve and prevent future occurrences of all findings. Therefore, GCC may consider the program review closed with no further action required.

Program records relating to the period covered by this program review must be retained until the later of: the resolution of the loan(s), claim(s) or expenditure(s) questioned in the program review [34 C.F.R. § 668.24(e)(3)(i)] or the end of the retention period applicable to the record [34 C.F.R. § 668.24(e)(1) and (e)(2)].
