OPE ID: 025844
PRCN: 200520123844

Dear Mr. Greenberg:

The School Participation Team – New York/Boston issued a program review report on January 30, 2006 covering New England Tractor Trailer Training School of Massachusetts' (NETTTS) administration of programs authorized pursuant to Title IV of the Higher Education Act of 1965, as amended, 20 U.S.C. §§ 1070 *et seq.* (Title IV, HEA programs), for the 2003/2004 award year. The institution's final response was received on February 2, 2006.

The School Participation Team – New York/Boston has reviewed NETTTS' response to the Program Review Report, which is incorporated by reference in its entirety, into and made part of this final program review determination. NETTTS' response has resolved all findings with potential liabilities. In addition NETTTS has provided assurances that the appropriate corrective actions have been taken to resolve and prevent future occurrences of all findings. Therefore, NETTTS may consider the program review closed with no further action required.

Program records relating to the period covered by this program review must be retained until the later of: the resolution of the loan(s), claim(s) or expenditure(s) questioned in the program review [34 C.F.R. §668.24(e)(3)(i)] or the end of the retention period applicable to the record [34 C.F.R. §668.24(e)(1) and (e)(2)].
