Dear Mr. Bologna:

The U.S. Department of Education's (Department's) School Participation Division - New York/Boston issued a program review report on September 9, 2014 covering Porter and Chester Institute's (PCI) administration of programs authorized pursuant to Title IV of the Higher Education Act of 1965, as amended, 20 U.S.C. §§ 1070 *et seq.* (Title IV, HEA programs), for the 2012/13 and 2013/14 award years. The institution's final response was received on September 22, 2014.

The School Participation Division - New York/Boston has reviewed PCI's response to the Program Review Report. A copy of the program review report (and related attachments) and PCI's response are attached. Any supporting documentation submitted with the response is being retained by the Department and is available for inspection by PCI upon request. Additionally, this Final Program Review Determination (FPRD), related attachments, and any supporting documentation may be subject to release under the Freedom of Information Act (FOIA) and can be provided to other oversight entities after this FPRD is issued.

PCI's response has resolved all findings. In addition, PCI has provided assurances that the appropriate corrective actions have been taken to resolve and prevent future occurrences of all findings. Therefore, PCI may consider the program review closed with no further action required.

Program records relating to the period covered by this program review must be retained until the later of: the resolution of the loan(s), claim(s) or expenditure(s) questioned in the program review [34 C.F.R. § 668.24(e)(3)(i)] or the end of the retention period applicable to the record [34 C.F.R. § 668.24(e)(1) and (e)(2)].
