RE: **Expedited Final Program Review Determination Letter**
OPE ID: 02107700
PRCN: 201440928760

Dear Dr. Sheehan:

From August 25, 2014 through August 29, 2014, Tracy Simmonds and Anna C. Archila conducted a review of Truckee Meadows Community College's (TMCC's) administration of the programs authorized pursuant to Title IV of the Higher Education Act of 1965, as amended, 20 U.S.C. §§ 1070 et seq. (Title IV, HEA programs). The purpose of this Final Program Review Determination Letter is to close the program review.

The focus of the review was to determine TMCC's compliance with the statutes and federal regulations as they pertain to the institution's administration of Title IV programs. The review consisted of, but was not limited to, an examination of TMCC's policies and procedures regarding institutional and student eligibility, individual student financial aid and academic files, attendance records, and student account ledgers.

A sample of 32 files was identified for review from the 2012-2013 and 2013-2014 award years. The files were selected randomly from a statistical sample of the total population receiving Title IV, HEA program funds for each award year.

Appendix A lists the names and social security numbers of the students whose files were examined during the program review.

Protection of Personally Identifiable Information (PII):

PII is any information about an individual which can be used to distinguish or trace an individual's identity (some examples are name, social security number, date and place of birth). The loss of PII can result in substantial harm, embarrassment, and inconvenience to individuals and may lead to identity theft or other fraudulent use of the information. Appendix A was encrypted and sent separately to the institution via e-mail.

Although the review was thorough, it cannot be assumed to be all-inclusive. The absence of statements in the report concerning TMCC's specific practices and procedures must not be construed as acceptance, approval, or endorsement of those specific practices and procedures. Furthermore, it does not relieve TMCC of its obligation to comply with all of the statutory or regulatory provisions governing the Title IV, HEA programs.

During the review, no significant findings were identified.

Record Retention:

Program records relating to the period covered by the program review must be retained until the later of: resolution of the loans, claims or expenditures questioned in the program review; or the end of the retention period otherwise applicable to the record under 34 C.F.R. § 668.24(e).

We would like to express our appreciation for the courtesy and cooperation extended during the review. If you have any questions concerning this report, please call Tracy Simmonds at (415) 486-5688.
