RE: Expedited Final Program Review Determination Letter  
OPE ID: 00961800  
PRCN: 2013-3-06-28314

Dear Ms. Kelley:

From June 24, 2013, through June 28, 2013, Dr. Joe L. Williams and Ms. Dalinda Lasater conducted a review of Tulsa Welding School's (TWS's) administration of the programs authorized pursuant to Title IV of the Higher Education Act of 1965, as amended, 20 U.S.C. §§ 1070 et seq. (Title IV, HEA programs). The purpose of this Final Program Review Determination Letter is to close the program review.

The focus of the review was to determine TWS's compliance with the statutes and federal regulations as they pertain to the institution's administration of Title IV programs. The review consisted of, but was not limited to, an examination of TWS's policies and procedures regarding institutional and student eligibility, individual student financial aid and academic files, attendance records, student account ledgers, and fiscal records.

A sample of 30 files was identified for review from the 2011-2012 and 2012-2013 award years. The student files were selected randomly from the list of students provided by TWS. Appendix A lists the names and partial social security numbers of the students whose files were examined during the program review and will be encrypted and sent separately to the institution.

**Protection of Personally Identifiable Information (PII):**

PII is any information about an individual which can be used to distinguish or trace an individual's identity (some examples are name, social security number, date and place of birth). The loss of PII can result in substantial harm, embarrassment, and inconvenience to individuals and may lead to identity theft or other fraudulent use of the information.

Although the review was thorough, it cannot be assumed to be all-inclusive. The absence of statements in the report concerning TWS's specific practices and procedures must not be construed as acceptance, approval, or endorsement of those specific practices and procedures. Furthermore, it does not relieve TWS of its obligation to comply with all of the statutory or regulatory provisions governing the Title IV, HEA programs. During the review, no significant findings were identified.

**Record Retention:**

Program records relating to the period covered by the program review must be retained until the later of: resolution of the loans claims or expenditures questioned in the program review; or the end of the retention period otherwise applicable to the record under 34 C.F.R. § 668.24(e).

We would like to express our appreciation for the courtesy and cooperation extended during the review. If you have any questions concerning this report, please call Dr. Joe L. Williams at 214-661-9510. Thank you for your cooperation.

Sincerely,

(b)(6)
